The Selectmen

TOWN OF PELHAM
THE STATE OF NEW HAMPSHIRE

WARRANT

1978 TOWN MEETING

To the inhabitants of the Town of Pelham, in the County of Hillsborough and State of New Hampshire, qualified to vote in town affairs:

You are hereby notified that the annual meeting of the Town of Pelham will be held at the Memorial School on Marsh Road in said Pelham on Tuesday, March 14, 1978 at 10:00 o'clock in the forenoon for the choice of town officers elected by official ballot and other action required to be inserted on said official ballot. The polls for the election of town officers and other action required to be inserted on said ballot will open on said date at 10:00 o'clock in the forenoon and will close not earlier than 8:00 o'clock in the evening.

You are hereby notified that the second session of the annual meeting of the Town of Pelham will be held at the Memorial School on Marsh Road in said Pelham on Thursday, March 16, 1978 at 7:30 o'clock in the evening to act on the matters not to be voted upon by official ballot.

Article 1: To choose all necessary town officials for the year ensuing. (BY BALLOT)

Article 2: Shall we adopt the new provisions of Revised Statutes Annotated (RSA) 72:43-c relative to expanded exemptions on real estate for the elderly, changing the eligibility requirement that a person may own no more than \$35,000.00 in assets of any kind to a requirement that a person may own no more than \$50,000.00 in assets of any kind? (BY BALLOT) (Budget Committee Approved)

Article 3: Shall we adopt the new provisions of RSA 72:43-b relative to expanded exemptions on real estate for the elderly, changing the basis of the exemption from the equalized valuation to the actual assessed valuation? (BY BALLOT) (Budget Committee Approved)

Article 4: To hear the reports of auditors, agents, and other committees heretofore chosen and pass any votes relating thereto.

Article 5: To see if the Town will vote to authorize the prepayment of taxes and authorize the Tax Collector to accept payments in prepayment of taxes, such authorization to remain in effect until rescinded.

Article 6: To see if the Town will authorize the Selectmen and Town Treasurer to borrow, in anticipation of taxes, such sums as may be necessary to meet the obligational expenses of the Town, all as provided for in Revised Statutes Annotated (RSA) 33:7.

Article 7: (By Petition)

To see if the Town of Pelham will vote to authorize the Pelham Conservation Commission to retain the unexpended portion of its 1978 appropriation; said funds to be placed in a special conservation fund in accordance with RSA 36-A:5 (Budget Committee Disapproved)

Article 8: To see if the Town will vote to place any unexpended balance left in the 1978 Fire Department appropriation at the end of the year in the Capital Reserve Fund established for the purpose of purchasing a fire truck. (Budget Committee Approved)

Article 9: To see if the Town will vote to raise and appropriate the sum of \$8,386. for new equipment and apparatus for the firemen and trucks of the Pelham Fire Department (Budget Committee Approv.)

Article 10: (By Petition)

To see if the Town will vote to raise and appropriate the sum of \$6,400. (sixty-four hundred dollars) for the purchase of a "Hurst Tool". Said tool to be under the control of the Fire Department. (Budget Committee Disapproved)

Article 11: (By Petition)

To see if the Town will vote to raise and appropriate the sum of \$.25 per capita, or a total of \$1,850.00 for the support of the Nashua Regional Planning Agency, as authorized by New Hampshire RSA 36:49. (Budget Committee Disapproved)

Article 12: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the purpose of assisting the Greater Salem Mental Health Association as authorized by New Hampshire RSA 126-B, as amended, or take any other action relative thereto. (Budget Committee Approved)

Article 13: To see if the Town will vote to raise and appropriate the sum of \$.75 per capita, or a total of \$7,050.00 for the purpose of aiding the Merrimack Valley Home Health Care Association as authorized by the New Hampshire RSA 32, as amended, or take any other action relative thereto. (Budget Committee Approved)

Article 14: To see if the Town will vote to raise and appropriate the sum of \$1,348.41 as the Town's share of Town Road Aid, the State to contribute \$8,989.39 as the State's share as provided by law. (Budget Committee Approved)

Article 15: To see if the Town will vote to raise and appropriate the sum of \$665 for improving the road and adding new facilities at Camp Alexander. (Budget Committee Approved)

Article 16: (By Petition)

To see if the Town will vote to remove and combine present existing trust funds, one, the sum of \$3,622.00 (trust fund established in 1966 for parks and playgrounds) and the sum of \$3,275.00 (established in 1972 for recreation department buildings) for the purpose of capital improvements to the Town's municipal bathing area. (Budget Committee submits without recommendation)

Article 17: To see if the Town will vote to appropriate and authorize the Pelham Senior Citizens to expend \$25,000 in State and/or Federal grants for the construction of an addition to the Hobbs House. No portion of said \$25,000 shall be raised by local taxes. (Budget Committee Disapproved)

Article 18: (By Petition)

To see if the Town will vote to authorize the construction of an addition to the Hobbs House at a cost of \$14,095.00, all in accordance with plans submitted to the State Council on Aging, the cost of such construction to be paid by funds already raised by the Pelham Senior Citizens Club Inc. and a grant made available to the Pelham Senior Citizens Club Inc. by the New Hampshire Council on Aging. (Budget Committee Disapproved)

Article 19: (By Petition)

To see if the Town will vote to place any unexpended balance left in the 1978 Cemetery Appropriation at the end of the year into a capital maintenance fund for the upkeep of any and all cemetery property. (Budget Committee Disapproved)

Article 20: To see if the Town will vote to raise and appropriate the sum of \$3,021.83 for the purpose of erecting a fence at the Gibson Cemetery. (Budget Committee Approved)

Article 21: To see if the Town will authorize the withdrawal of \$5,288.17 from the Gibson Cemetery Fence Trust Fund for the purpose of erecting a fence at the Gibson Cemetery. (Budget Committee Approved)

Article 22: To see if the Town will vote to appropriate the \$1,500. used for the deposit on Camp Alexander to pay on the principal of the notes on Camp Alexander. (Budget Committee Approved)

Article 23: To see if the Town will vote to appropriate the additional Highway Funds received from the State pursuant to RSA 241:15 for the reconstruction projects listed below. No portion of said \$20,105.21 shall be raised by local taxes.

Greely Rd. 2/10 mile	\$2,957.00
Simpson Mill Rd. 4/10 mile	5,736.00
Hayden Rd. 3/10 mile	3,548.00
Completion of Wharf Rd.	7,864.21
TOTAL	<u>\$20,105.21</u>

(Budget Committee Approved)

Article 24: To see if the Town will vote to raise and appropriate the sum of \$50,000.00 for the purpose of reconstructing a portion of Sherburne Road, such appropriation not to be raised by taxes or appropriated in the event that the State of New Hampshire does not agree to match the \$50,000.00 appropriation with State funds for the Sherburne Road reconstruction. (Budget Committee Approved)

Article 25: (By Petition)

To see if the Town will vote to raise and appropriate the sum of \$840 to construct a gravel pedestrian walkway between Spring Street and the property of Leighton Fox, over an existing Town right-of-way, for use by school children to reach an established bus stop. (Budget Committee Disapproved)

Article 26: (By Petition)

To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of conducting preliminary engineering studies of alternate emergency vehicle access routes to Spring St. Extension. (Budget Committee Disapproved)

Article 27: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to add to the Capital Reserve Fund established for the purpose of purchasing a fire truck, or take any other action relative thereto. (Budget Committee Approved)

Article 28: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to renovate the 1930 Fire Truck. (Budget Committee Disapproved)

Article 29: To see if the Town will grant the Selectmen the authority to auction the 1930 Fire Truck to the highest bidder. The proceeds of this sale to be placed in the Fire Truck Capital Reserve Fund. (Budget Committee Approved)

Article 30: (By Petition)

To see if the Town will vote to raise and appropriate the sum of \$2,285.00 to purchase a Moving Radar for the Pelham Police Department; however, such purchase not to be made unless at least 50% reimbursement is provided by the State and/or Federal Agencies, or take any other action relative thereto. (Budget Committee Submits Without Recommendation)

Article 31: To see if the Town will raise and appropriate the sum of \$5,400 for the purchase and installation of a 15 KW emergency generator for the Fire & Police Station. (Budget Committee Approved)

Article 32: To see if the Town will vote to raise and appropriate the sum of \$1,325.00 to purchase a Call-Check Unit for the Pelham Police Department; however, such purchase not to be made unless at least 50% reimbursement is provided by State and/or Federal Agencies. (Budget Committee Disapproved)

Article 33: (By Petition)

To see if the Town will vote to appropriate and expend the sum of \$13,000.00 in federal funds granted to the Town under the Housing and Community Development Act of 1974 for the following purposes:

1. The purchase of thirty-six acres, more or less, of land located east of Old Lawrence Road for open space and recreation purposes.. \$11,500.00
2. The preparation of a Community Development Plan Summary... \$1,500.00

No portion of said \$13,000.00 shall be raised by local taxes. (Budget Committee Approved)

Article 34: To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations in the amount indicated \$91,156.00; and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any action hereon. (Budget Committee Approved)

Winter Maintenance	\$17,406
Interest on Temporary Loans	35,000
Interest on Notes	5,750
Principle on Notes	33,000
TOTAL	<u>\$91,156</u>

Article 35: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town charges and expenses for the ensuing year and make appropriations for the same; that is, to see if the Town will vote to accept the Town Budget as prepared by the Budget Committee and take action thereon. (See budget detail)

Article 36: (By Petition)

To see if the Town of Pelham will vote to establish a trust fund to be used to maintain and fund the Conservation Commission's Elm tree insecticide program. The monies to maintain this fund to be derived from the sale of Elm Tree insecticide by the Commission. (Budget Committee Disapproved)

Article 37: (By Petition)

To see if the Town of Pelham will vote to establish a Capital Reserve Fund to be known as the Pelham Open Space and Recreation Land Acquisition and Improvement Capital Reserve Fund for the purpose of acquiring and improving conservation, recreation, park, playground, and/or open space land; and to place in such Capital Reserve Fund all funds paid to the Town of Pelham by subdividers and land developers as payments in lieu of the subdividers making land transfers for such uses, and unless and until this article is recinded at subsequent Town meeting, to place in such Capital Reserve Fund all funds received from subdividers as payments in lieu of land transfers to the Town. (Budget Committee Disapproved)

Article 38: (By Petition)

To see if the Town will vote to guarantee to the Pelham Senior Citizens Club Inc. a right of use and occupancy of the Senior Center for at least ten years from the date of a grant to the Pelham Senior Citizens Club Inc. from the State Council on Aging.

Article 39: (By Petition)

To see if the Town will vote to authorize and direct the Pelham Board of Selectmen to lease to Pelham Little League, Inc., 5 Washington St., Pelham, N.H. fifteen (15) acres of land, more or less, located on Old Lawrence Road in the Town of Pelham.

The lease agreement shall include, among others, the following provisions:

1. A precise description of the property to be leased.

2. A provision providing for a twenty year lease period, with an annual rent of one dollar.
3. A provision granting Pelham Little League, Inc. exclusive use of the leased property.
4. A provision limiting Pelham Little League, Inc.'s use of the premises to those recreational, educational, administrative and fund raising activities normally conducted by that organization.
5. A provision allowing Pelham Little League to grant temporary use of its fields and buildings for other recreational purposes, as it deems appropriate.
6. A provision allowing Pelham Little League Inc. to construct and maintain playing and/or practice fields, buildings and attendant facilities, such as roads, parking lots, fences and signs, as it deems necessary.
7. A provision requiring Pelham Little League Inc. to bear all expenses incurred in constructing and maintaining playing and/or practice fields, buildings, and attendant facilities.
8. A provision requiring Pelham Little League Inc. to maintain liability insurance at its own expense.
9. A provision to indemnify and hold harmless the Town of Pelham of any and all Little League activities conducted on the leased property.
10. Such other provisions as the Board of Selectmen, Pelham Little League Inc. and their attorneys deem to be in the best interest of both parties.

Article 40: (By Petition)

To see if the Town will vote to prohibit anyone from distributing campaign literature on any property where a town, state or federal election is being held.

Article 41: To see if the Town will vote to repeal Warrant Article 20 as adopted on March 8, 1976 by the second session of the 1976 Annual Town Meeting and to adopt in its place the following Ordinance:

ALCOHOLIC BEVERAGE ORDINANCE

Section 1 No person shall consume a liquor or a beverage as these terms are defined in RSA 175:1 in or on

- (a) Town owned land including but not being limited to public roads, streets, highways and/or buildings;
- (b) School District owned land or buildings;
- (c) A private parking lot which is maintained primarily for the benefit of paying customers, but only if such lot contains space for parking at least 50 automobiles.

Section 2 Notwithstanding the foregoing section, a person or group of persons may consume a liquor or beverage as these terms are defined in RSA 175:1 in or on Town owned land and buildings, except public roads, streets and highways, and in or on School District land and buildings, if authorized to do so by a permit issued by the Board of Selectmen. No such permit shall be valid for a period in excess of twelve hours. The Board of Selectmen may require as a condition of the permit that the permittee hire, at the permittee's expense, one or more local police officers to police the event for which the permit is issued. The Board of Selectmen or in the Board's absence, the Chief of Police or Acting Chief of Police, may revoke, with or without cause, any permit issued pursuant to this section.

Section 3 Any violation of this ordinance shall be punishable by a fine not exceeding \$100.00.

Section 4 The invalidity of any provision of this ordinance shall not invalidate any other provision.

Section 5 This ordinance shall take effect upon passage.

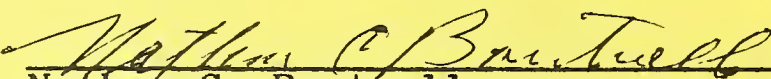

Article 42: To see if the Town will vote to authorize the Board of Selectmen to apply for, negotiate and do all things that may be necessary to obtain such State and/or Federal funds as may be made available to the Town. Notwithstanding the foregoing sentence, such funds are to be expended only as authorized by the Municipal Budget Law, Chapter 32 of the New Hampshire Revised Statutes Annotated.

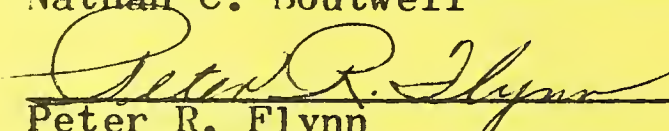

Given under our hands and the seal of the Town of Pelham this fifteenth day of February, 1978.

BUDGET OF THE TOWN OF _____ PELHAM _____, N.H.

Board of Selectmen

Pelham, New Hampshire

Tel. 635-7811

TO THE RESIDENTS OF PELHAM:

This past year has been a busy one for your Board of Selectmen as well as one of accomplishment for your Town.

RECREATION: Early in the year the purchase of Camp Alexander was finalized and the Board of Selectmen, with the support of the Town, made plans to utilize this waterfront property. With advice from the Recreation Director, Bob Tryon, rules and regulations for the use of the camp were formulated. Under Bob's capable direction programs were set up, the results of which exceeded even our most optimistic projections. Due to this heavy use, the Selectmen authorized an extension of the season thru Labor Day. This year even greater use of this site is planned as discussed in the Recreation Commission's report.

WASTE DISPOSAL: The major project this year for the Selectmen was the process which culminated in the opening of Pelham's own waste disposal/recycling site on Jan. 7, 1978. This process included grant application, reviewing project specifications, fending off a disgruntled bidder, putting the project out to bid, awarding the bid to the lowest bidder, site preparation, appointment of and working with an Incinerator Committee, negotiating with archeologists and contractors to minimize delays and cost impact, increasing the use of local labor on the job, setting up contingency plans in the event the incinerator opening was delayed beyond the expiration of our landfill contract, setting up regulations for the use of the waste disposal site, etc. At the time of this report one burning unit of the waste disposal facility is handling the trash of Pelham's residents without difficulty. Efforts are now under way to get the second burner operational, to correct all existing deficiencies and to add a protective structure over the incinerators. It is anticipated that the entire project, funded 100% by Federal Funds, will be complete by the end of March.

HEALTH: The Selectmen this year adopted a set of health regulations governing septic systems because of continued problems in this area. These problems included improper system design and submission of erroneous data. The new regulations now require Town approval of all systems prior to state approval and if properly and fairly enforced, will prevent problems of this nature for our citizens in the future. The regulations have been in effect since Dec. 1, 1977 and are functioning in a smooth manner.

In addition, because of a void in state law, the Selectmen adopted a set of health regulations for massage parlors.

Flooding of low lying areas within Pelham is an area of concern for many of our residents. The Board of Selectmen are presently studying

the problem to determine what the causes of flooding may be (Dracut Dam, beaver dams, obstructions, etc.) and once known, what, if any, corrective action can be taken. Citizens in flood prone areas should obtain flood insurance for their protection. If your land is in an area designated as "flood plain" then you may obtain Federally subsidized flood insurance. The firm of Anderson-Nichols Engineering is presently developing a final version of Pelham's flood plain map with completion expected several months from now.

TAXES: Town government in Pelham continues to be a bargain as seen by the tax rate chart on page 8. While the cost of operating the Town has increased steadily, the cost to the taxpayer has remained relatively fixed (your 1977 town tax rate of \$7.60 is only \$0.40 higher than in 1972 and the town tax rate has been relatively constant for the last 6 years) due to increased revenues from federal and local sources. The Board of Selectmen consider the maintenance of a low town tax rate as one of their primary goals and towards this end have initiated efforts for forward planning with the intent of anticipating extraordinary costs and needs and minimizing their effects on your taxes. As part of this effort, the Selectmen have requested that department heads provide a five year projection of their department needs. Because the Selectmen's time was taken up by so many items requiring their immediate and ongoing attention, not much headway was made this year. However, a basis has been established and hopefully, this project will be continued and expanded so that a clearer view of the direction of the Town of Pelham may be developed.

TAX MAP: The tax map is finally complete and will be an invaluable tool for the Town. A photo reduced copy is provided on the inside back cover of this report.

CETA: This year, in addition to obtaining funding for useful employee positions for the Town under Title II, the Town has been awarded \$61,350.00 in funding under Title VI. These funds are being used to pay for six workers who will be employed about Town for maintenance-type projects. Some of the projects already undertaken include painting the doors at the fire/police station, painting and repairing the window units at the Town Hall, construction of a storage area in the Town Hall, assistance at the waste disposal site and preparing a picnic area at the Golden Brook Recreation Area.

MISCELLANEOUS: The Selectmen have been involved in many other areas some of which are listed below:

- Conducting interviews for Town personnel such as assessor, laborers, records clerk, administrative assistant, etc.

- Resolving citizen complaints where able or acting as an intermediary.

- Preparing and reviewing budget requests.

- Zoning and building code enforcement by providing backing for our building inspectors and taking action as required.

- Work with the Library and Cemetery Trustees in order to comply with the state audit requests and a new state law requiring all costs to be paid through the Selectmen's office.

PELHAM BOARD OF SELECTMEN
Harold V. Lynde, Jr., Chairman
Marianne H. Thompson, V. Chrm.
Herbert S. Currier

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Town Office
Pelham, New Hampshire 03076

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Pelham for the fiscal year ended December 31, 1976, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of these audit reports must be given to the Town Clerk for retention as part of the permanent town records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Cemetery Trustees, Public Library Trustees, Municipal Court and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets - December 31, 1975 and December 31, 1976:
(Exhibit A-1)

Comparative Balance Sheets - General Fund- As of December 31, 1975 and December 31, 1976, are presented in Exhibit A-1. As indicated therein, the current surplus of the Town increased by \$10,050 in 1976, from \$48,546 to \$58,596.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Analysis of Change in Current Financial Condition: (Exhibit A-2)
(Continued)

Increase in Current Surplus:

Net Budget Surplus (Exhibit A-4)	\$10,419
----------------------------------	----------

Decreases in Current Surplus:

Tax Liens Transferred To Tax Deeds	\$358
Prior Years Accounts Payable Adjustments	<u>11</u>
	<u>369</u>

<u>Net Increase in Current Surplus</u>	<u>\$10,050</u>
--	-----------------

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of General Fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1976, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a revenue surplus of \$37,340, less an overdraft of appropriations of \$26,921, resulted in a net budget surplus of \$10,419.

Long-Term Indebtedness:

Comparative Balance Sheets - December 31, 1975 and December 31, 1976:
(Exhibit A-5)

Comparative Balance Sheets of the outstanding long-term indebtedness of the Town as of December 31, 1975 and December 31, 1976 are contained in Exhibit A-5. As indicated therein the long-term debt increased by \$135,500 during 1976, from \$23,500 to \$159,000.

Long-Term notes in the amount of \$150,000 were issued during the year and principal payments of \$14,500 were made on matured debts.

Statement of Debt Service Requirements: (Exhibit A-6)

A statement showing annual debt service requirements (principal and interest) as of December 31, 1976, is presented in Exhibit A-6.

TREASURERGeneral Fund:Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A classified statement of General Fund receipts and expenditures for the fiscal year ended December 31, 1976, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1.

Revenue Sharing Funds: (Exhibit B-2)

The fiscal activity in the Revenue Sharing Fund account during the year is shown in Exhibit B-2. As stated therein, unappropriated funds at January 1, 1976 amounted to \$80,257. During the year entitlement payments of \$72,669 were received and \$2,367 was derived from investment of idle funds. Authorized disbursements of \$55,000 were made. Unexpended funds at December 31, 1976 totaled \$100,293.

AUDIT PROCEDURE

The accounts and records of all Town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes were made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes indicated in this report are therefore subject to any change which may be necessitated by the return of verification notices.

GENERAL COMMENTSOverdrafts of Appropriations and Application of the Municipal Budget Law:

As indicated in Exhibit A-3, (Comparative Statement of Appropriations and Expenditures) budgetary expenditures exceeded total town appropriations in 1976 and consequently resulted in a net appropriation overdraft of \$35,316 computed as follows:

Overdrafts of Budgetary Appropriations	\$54,508
Unexpended Balances of Budgetary Appropriations	<u>19,192</u>
Net Overdraft of Budgetary Appropriations	<u>\$35,316</u>

In accordance with the provisions of the Municipal Budget Law, R.S.A. Chapter 32 (Section 10-a) application was made to the Commissioner of Revenue Administration by the Board of Selectmen, with the approval of the Budget Committee, to exceed budgetary expenditures. A certificate of emergency authorizing the excess expenditure was issued by the Commissioner of Revenue Administration under date of December 30, 1976.

Hence, the above budgetary expenditures were properly incurred under the emergency provisions of Municipal Budget Law.

Treasurer:

Due to incomplete records it was necessary for the auditors to expand the examination of the Treasurer's Account to effect a proper reconciliation thereof for the fiscal year ended December 31, 1976. In this regard, the Treasurer's attention is directed to the provisions of R.S.A. 41:29, which states in part as follows:

"41:29. Duties ...The Town Treasurer shall keep in suitable books provided for the purpose a fair and correct account of all sums received into and paid from the Town treasury, and of all notes given by the town, with the particulars thereof..."

It is recommended that the Treasurer comply with the foregoing statute by maintaining complete and accurate records of monies entrusted to him, in the form prescribed by the Commissioner of Revenue Administration. Book balances should be reconciled monthly with bank balances.

Revenue Sharing Funds:

It is the practice of the Town to commingle Revenue Sharing funds with General Funds and invest the latter funds in certificates of deposits with the former monies.

Units of government that commingle Revenue Sharing funds with their other funds for investment purposes must maintain accounting records which readily permit the identification and verification of interest earned on the Revenue Sharing funds so invested. Such interest accrues to and becomes part of the Revenue Sharing Fund by operation of Federal law. These requirements were brought to the attention of the Treasurer during the course of this examination.

Escrow Deposits:

The Treasurer does not record receipts and expenditures of escrow deposits in the general accounts of the Town. Accountability for these funds is restricted to entries in bank pass books.

Presently each such deposit made is placed in a separate passbook or certificate of deposit. Interest earnings are ultimately paid to the party making

the deposit.

There are no statutory requirements obliging the Town to pay such interest earnings to depositors of such funds. Thus, interest of this nature should be retained for the use of the Town.

Municipal Court:

Our examination of the Municipal Court records indicate that our past recommendations have not been implemented. The Clerk of Court does not reconcile book balances with bank balances on a monthly basis, accounting for bail transactions which are inadequate and incomplete.

We again recommend that the Clerk of Court maintain complete and correct records of all bail received from and returned to respondents, or transferred to other courts.

Cemetery Trustees:

The Trustees of the Cemetery are presently administering funds which should be under the control of the Treasurer of the Town, in compliance with R.S.A. 41:29. The fund balance of \$251.00 at December 31, 1976 should be paid over to the Town Treasurer and the Cemetery Trustees checking account closed.

Income received from the Trustees of Trust Funds for perpetual care expenses and the sale of cemetery lots, and all expenditures incurred for the operation of the cemetery should be effected thru General Fund accounts.

Payroll Account:

The payroll system presently used by the Town is not in compliance with the provisions of R.S.A. 41:29 which were quoted earlier in this letter.

The Rockingham County Trust Company is presently controlling funds and a signature plate which should be under the direct custody of the Treasurer of the Town.

It is recommended that the said payroll system be modified to provide that payroll checks will all be signed by the Town Treasurer after processing by the bank. Transfers to the payroll accounts should be for the net payroll due employees. Vendor checks should be used to disburse monies withheld from the employees' wages.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits

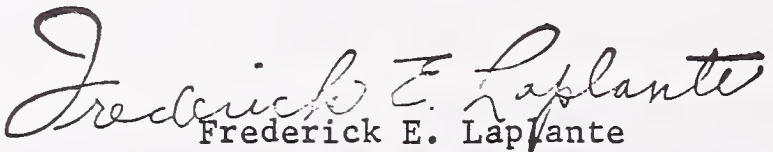

Town of Pelham

November 9, 1977

contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Pelham for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante

TOWN OF PELHAM

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Pelham for the fiscal year ended December 31, 1976.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of sources of revenues and expenditures present fairly the financial position of the Town of Pelham at December 31, 1976, and the results of its operations for the year then ended, in conformity with generally accepted accounting principals applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Very truly yours,
Frederick E. Laplante

HIGHWAY REPORT

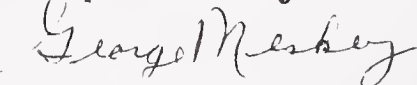

During the first and last few months of 1977 the town was faced with prolonged snowstorms which caused excessive expenditures on the winter maintenance budget.

Summer maintenance included patching, cutting brush and trees along roadsides, and replacing missing and damaged signs. Also included in summer maintenance was graveling and grading of dirt roads and the addition of drainage systems throughout the town. A major portion of funds appropriated for summer maintenance was expended on culvert replacement, the laying of new culverts and installment of manholes which will alleviate water and ice problems faced in previous years. Approximately 1100 feet of culvert and eight manholes were placed on the following roads: Maple Drive, Jericho Road, Clydesdale Avenue, Hayden Road, Dutton Road, Orchard Lane and Ledge Road.

Resealing consisted of cold patching, sweeping roads and the use of 400 tons of mix and place to shim poor sections of road. Finally these roads were sealed with oil. This process seals the cracks in the roads which preserves and prevents the asphalt roads from breaking up.

TRA funds were used on Wharf Road, but due to difficulties of the acceptance of the State budget by the Legislature, the project was stopped. This project will be resumed in 1978.

Respectfully submitted,

George Neskey
Highway Agent

POLICE DEPARTMENT

PELHAM, N. H. 03076

**Emergency 635-2121
(including ambulance)**CHIEF OF POLICE
RALPH S. BOUTWELL**ANNUAL REPORT FOR 1977**

To the Honorable Board of Selectmen:

The department had an overall increase of 5,137 calls over last years calls. Increases were most prominent in shoplifters, malicious damage, suspicious persons, minibike complaints, power failure reports, school information calls, bomb scares and miscellaneous complaints. Station visits were up by 862 calls alone.

We have also had a considerable increase in our accidents; three of these were fatal accidents. Again this year I have requested in my budget, funds for a moving radar. It is impossible to patrol and run radar with our present piece of equipment.

At the beginning of last January, the Hillsborough County Attorney's office implemented the "Uniform Crime Report" system to all police departments, which involves a considerable amount of more paper work for the dispatcher and officer.

I would like to keep stressing to our townspeople to call the department to report any suspicious persons or cars, no matter how minor they may seem, as this is the only way we can keep the crime rate down.

Along with the police calls increasing, we have also taken over the dispatching and record keeping for the fire department, until such time as they acquire their own personnel.

A message to our older citizens: We have what is known as "Operation Good Morning", for those persons living alone or having no one to check on them on a daily basis. Inform the department if you wish to have your name added to our list.

The department members and townspeople were deeply saddened with the death of Lieutenant Alton Hodgman on October 30th, while on duty. He had served the department faithfully as a Special Officer for twenty years. He was on a regular schedule on Friday nights for the past 17 years and served as the court prosecutor.

I remind residents not to call the police station to see if school is in session on inclement weather days. Your local radio stations keep you well informed.

Respectfully submitted,

RALPH S. BOUTWELL
Chief of Police

PELHAM FIRE DEPARTMENT

PELHAM, NEW HAMPSHIRE 03076

EDMUND L. LAPOINT, CHIEF

603-635-2421

FIRE DEPARTMENT ANNUAL REPORT FOR 1977

To the Honorable Board of Selectmen:

On April 1, 1977, I became Chief of the Pelham Fire Department. Since that date, we have had a very busy year.

During April, the rescue truck became part of the fire department. Since then, it has answered 77 rescue calls. At this time, I would like to thank the Pelham Lions Club for the interest they have shown in the rescue truck. They have furnished us with \$3,900.00 worth of new equipment. This is greatly appreciated.

In the middle of August, we acquired a government surplus 4 X 4 truck through the efforts of Raymond J. Cashman. The truck was then completely overhauled and stocked with equipment for fighting woods fires. This was done by the firemen under the direction of Asst. Chief Charles W. Hobbs, III. This truck became part of our department at absolutely no cost to the town.

In September, six men attended firefighting school at Keene State College. The men who attended were: Asst. Chief Charles W. Hobbs, III, Raymond J. Cashman, Phillip E. Colburn, III, E. David Fisher, Peter R. Flynn and George F. Garland.

In October, the smoke house was completed. This will be used for training men on the use of smoke masks, and how to conduct firefighting and rescue operations in smoke filled buildings.

In November, we purchased a reconditioned Farrar 750 gallon Pumper. This truck came stocked with many pieces of needed new equipment. This is now the attack truck for all structure fires.

Also in November and December, we sponsored two courses on Cardio-pulmonary Resuscitation. These classes were open to the public, and were conducted by E. David Fisher and the Lawrence chapter of the American Red Cross.

From April 1 - December 31 we answered 292 calls.

Structure Fires	29	False Alarms	6
Chimney Fires	10	Mutual Aid	7
Brush Fires	49	Service Calls	43

Edmund L. Lapoint

Edmund L. Lapoint

Chief

DOG OFFICER'S REPORT

1977

2,248 calls were received, 609 dogs were picked up, 130 were dead dogs. 20 dog bites were reported, a decrease over 1976. 55 court cases, 20 of them, placed on file. There was an increase in court cases, due to people not observing the leash law. This has proven very costly to the town, for dog damages. Summons were also given out for unlicensed dogs. License if you haven't already. Please do not bring any animals to the police station or the dog officer's home, neither place has facilities. Limit your calls to reasonable hours. Sundays and holidays are emergency calls only.

Respectfully submitted,
Doris Heneault

REGIONAL MEDICAL EMERGENCY SERVICES

The year of 1977 was a year of progress for Emergency Medical Services in the town of Pelham. In April of this year the Rescue Truck was placed with the Fire Department. Chief La Point immediately worked with the three Emergency Medical Technicians and the Fire Fighters to put this vehicle in operation for accidents and medical emergencies in the town.

Two C.P.R. Courses have been held in the Fire Station, one in October, and one in November, for the Fire Department and the residents of Pelham with a very favorable turnout in each.

I have had meetings with the E.M.S. Council in Lowell on different occasions to facilitate the most advanced emergency medical services for the town of Pelham.

Organizations in the town have shown strong support in the effort of E.M.S. having donated needed equipment.

There are plans to hold an advanced first aid course in 1978 for Fire Department personnel with courses also for the residents of Pelham.

I wish to thank the Fire Department, Police Department, and the residents of Pelham for their support and co-operation.

Respectfully Submitted,

Ernest David Fisher
Regional Medical Emergency Services

BOARD OF ADJUSTMENT
PELHAM, NEW HAMPSHIRE

Annual Town Report

The Board of Adjustment heard a total of thirty-one (31) cases this year. Twenty-six (26) variances were granted, four (4) were denied, and one (1) application was withdrawn. There were four (4) requests for rehearings, two (2) requests were granted, two (2) were denied. One (1) of the rehearings was heard and granted, the other rehearing was never brought before the Board and consequently, never heard.

There were two (2) additional alternates appointed to the Board of Adjustment for 1977; Mr. Norman Lawrence and Mr. Clifton Hayes.

A total of \$725.00 was received by the Board this year and was turned over to the Treasurer to be put into the General Fund.

Alternates:

Raymond J. Cashman
Walter Kosik
Harry Casey
Norman Lawrence
Clifton Hayes

Respectfully submitted,

Willis Atwood, Chairman
Michael Marcinkowski, Clerk
Charles Bernard
John Gonsalves
Forrest McNamara

REPORT OF THE WELFARE OFFICER

The Town of Pelham appropriated \$5,000 for the Town Poor Account. Out of the appropriation, \$1,310.36 was spent for Town Assistance.

During 1977, the Town through welfare liens collected \$3,293.20.

Old Age Assistance payments to residents amounted to \$5,245.52. Since \$4,000 was appropriated at last year's town meeting, this account was over expended. During this year, this was the most frequently used account under the Public Welfare category. As the general population of the area grows older, the demands on this account can be expected to increase.

Thomas J. Mahon,
Welfare Officer

PLANNING BOARD REPORT

1977

The year 1977 brought with it a national resurgence in new home construction. That resurgence was felt in Pelham, where building permits were issued for seventy seven (77) single dwellings and four (4) duplexes. That number becomes significant when one realizes that only two (2) duplexes and forty six (46) single dwellings were issued in 1976, and only thirty-four permits were issued in 1975.

If Pelham is to absorb this new growth without double sessions in its schools, excessive tax increases, diminished public services, and other growth related problems, it must have a strong, active and sometimes controversial Planning Board. Our activities and accomplishments of the past year show that we have tried to be such a Planning Board during 1977.

Early in the year the Board was granted the services of a fulltime Planning Assistant for a period of one year. In addition to attending Planning Board meetings and helping with the day to day operations of the Board, she has worked to complete the tax map, accumulate data for a computer generated current land use study, and inventory Town owned land. She has also initiated a lot approval and building permit record system and has begun work on an annual census program. Our Planning Assistant has generated the type of information which this Board needs if it is to prepare meaningful plans for the future growth of Pelham.

Solid waste and sewage disposal problems are those which every growing town must face. The Planning Board is proud to state that it has taken positive steps to solve both of these problems.

By a memorandum dated October 19, 1976, this Board initiated the action which ultimately led to the Town receiving a \$578,000.00 grant for the construction of a municipal incinerator and recycling center. In 1977 Planning Board members served on the Incinerator Building Committee, one as its chairman.

In addition to providing a final solution to the Town's solid waste disposal problem, the Planning Board has initiated two separate solutions to the sewage disposal problem. First, early in the year, the Board interviewed a number of engineering firms to conduct a \$60,000 sewer study.

The firm of Davis, Benoit & Tessier, Inc. was selected, and the federally funded sewer study has begun. It will determine whether sewage processing can provide a feasible solution to the Town's growing sewage disposal problem.

Second, later in the year, the Planning Board prepared a Health Ordinance governing the location and installation of privately owned on-site residential sewage disposal systems. While preparing the final form of this ordinance, the Board met with the Town Engineer, the Selectmen, and builders and attorneys. The Selectmen, sitting as the Board of Health, adopted this ordinance in November. It became effective on December 1, 1977 and should solve many of the septic system problems that have plagued the Town in recent years.

Our activities in 1977 were not limited to planning for future growth. We continued to supervise current growth by approving plans for nearly one hundred new house lots. Along with the Town Engineer and Highway Agent, we inspected the construction of several new streets and related drainage facilities. We anticipate that there will be an increase of this type of work in the coming year.

In 1978, growth and its impact on our schools, tax rate and town services will continue to concern your Planning Board. While growth cannot and should not be stopped, it can be and should be supervised and controlled. Without supervision and control, double sessions, with a decline in the quality of education, will result. Taxes will soar and public services will shrink. The quality of life in Pelham will be diminished.

To avoid this, your Planning Board will continue to be a strong, active and sometimes controversial Board in 1978.

Respectfully submitted,

G. Alan Laraway, Chairman
Stephen Parker, Vice Chairman
William T. Hayes, Secretary
Robert Allen
Gerard Bourque
Beverly Hayes, Alternate
Harold V. Lynde, Selectman
Walter Remeis

Pelham Public Library

Pelham, New Hampshire 03076

LIBRARY REPORT

1977 was a year of tremendous growth for the library. More books were added to the collection, more programs were held, and more books circulated than ever before.

Over 28,000 books, magazines, and records were taken out of the library in 1977, an increase of 43% over 1976's statistics. A total of 580 new borrowers received library cards in 1977. Also, over 1,500 new books were added to the collection, bringing the library's total to over 16,000 volumes. Many book donations from residents have been a welcome addition to our collection.

Story hours and crafts programs for pre-schoolers were in full swing throughout the year. Over 150 programs were held for 1,600 children.

Adult programs featured a CB radio talk and an Energy Day held in October. The Friends of the Library in Pelham, FLIP, also met regularly and hosted a variety of speakers at their meetings. Last spring, FLIP members conducted a successful plant sale on the library lawn, and are planning to do so again in 1978. Their second annual Wassail party was held in early December along with a sale of Christmas crafts made by FLIP members. Mini-courses in cake decorating and macrame have been conducted by FLIP members and have been well received by Pelham residents.

Throughout the year, library staff attended workshops and conferences sponsored by the New Hampshire Library Association and the New England Library Association. The library director is also active in the southeastern New Hampshire library district, and is on the executive board of the New Hampshire Library Association.

The library staff includes Margaret Marshall, Pearl Atwood, Toni Chapman, Jackie Mierswa, Bette Kelley, and Karen Neskey. Our salary schedule for 1977 was improved greatly by voters at town meeting, and reads as follows: Director- \$4.38/hr, Children's librarian- \$3.40/hr, Secretary- \$2.65/hr, Library assistant I- \$2.58/hr, Library assistant II- \$2.52/hr, Library assistant III- \$2.42/hr.

A donation of \$300. from the estate of Mary Cutter, a former Pelham resident, was received in November. This money will be used for the purchase of books and magazines over the next ten years as requested by the estate.

In November, too, the library began publication of its monthly newsletter. This paper has been well received and will be continued in 1978 as a means of publicizing both library and town activities. A large community bulletin board has also been installed in the library for use by everyone in Pelham.

The purpose of the Pelham Public Library continues to be to provide a place where inquiring minds may encounter the original, sometimes unorthodox, and critical ideas so necessary in a society that depends for its survival on free competition in ideas. We wish further to continue to promote and stimulate knowledge, wisdom, culture, and pure enjoyment for all Pelham citizens.

Respectfully submitted,
Pelham Public Library Trustees

Pelham Recreation Commission

PELHAM, NEW HAMPSHIRE

03076

To: The Honorable Board of Selectmen and Citizens of Pelham

It is with great pleasure that I submit to you my second Annual Report for the Pelham Recreation Department. The Pelham Recreation Department has taken many strides in the past year to provide a well balanced recreational and leisure time program for its residents. Recreational programming has almost doubled within the last two years and will continue to increase in the upcoming year. Not only have great strides been taken in recreational programming but the amount of hours have also increased greatly as well as the number of Pelham residents taking advantage of these recreational programs. In 1975, there were twenty-two different recreational programs with approximately 1/8 of the town's population enrolled in such programs. In 1977, sixty recreational programs were available to Pelham residents with approximately 1/4 of the town's population registering in these programs. Back in 1975, 90% of all recreational programs were geared towards the youth population of Pelham. In 1977, programming for all Pelham residents was accomplished. These programs ranged from Pre-School Gymnastics classes to Senior Citizens Cookout Day held during the summer of 1977.

1977 saw the operation of the first town municipal bathing area. Close to 475 families registered for the use of this newly acquired facility which proved to be a tremendous success for the operation of such a service for the first time. 1978 should prove to have a better run program now that the first year kinks have been worked out.

Not only has the Pelham Recreation Department expanded in terms of programming, but in other areas as well. One of these areas which has greatly improved is that of funding of various aspects of recreational services. In 1975 when I first entered the Recreation Department, all funding was done by town tax payers. Since having taken over the position of Recreation Director, the town of Pelham has received approximately \$20,000 by means of federal funding. This funding has been primarily responsible for the increase in recreational services. Also this funding has made employment available for youths and college students from Pelham during the summer months. Collaboration between other town departments and private organizations has become standard policy thus excluding duplication of programming and therefore, creating more efficient town services for its residents.

Another area which has seen vast improvement is that of facilities. Since 1975, the Pelham Recreation Department has been able to increase programming due to the foresight of its citizens in acquiring proper recreational facilities.

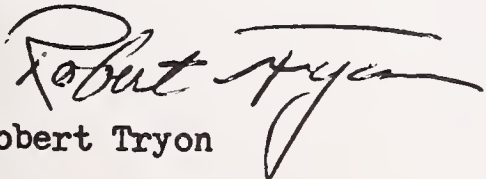

The future of recreation in Pelham can be summed up in this way. The Recreation Department has reached its limit in regards to areas of programming, services, and facilities. We now must reevaluate a course of recreation in Pelham. As mentioned above, because of the foresight of Pelhamites, the Pelham Recreation Department does have proper facilities. These facilities should be able to handle the recreational needs of the community

for the next fifty years. But the acquisition of these facilities poses another major problem which must be faced. These facilities must be properly maintained. It would be easy if ball fields groomed themselves or if the town bathing area needed no daily maintenance. These areas, for the safety of the residents, must be properly maintained and improved in order to gain the fullest potential from them. Therefore, the citizens of Pelham must realize the fact that in order to maintain the present quality of recreation in Pelham, more consideration must be given in regards to budget items in this area. If the Pelham Recreation Department were to ignore the upkeep of these facilities, they would eventually become wasted recreational land. If regular maintenance schedules are not developed the Pelham tax payers will face a much larger cost in the future to maintain these facilities.

Another area of concern is the Pelham Recreation Department is presently at its limit for what it can provide the residents of Pelham. One full-time personnel is presently required to plan, implement, and supervise present recreational programs and services. In addition, public relations, correspondence, research for federal funding, responsibility for operating the budget, maintenance, and everyday duties associated with the running of a town department is the sole responsibility of one person. If the recreational services are to be kept at present levels, improved and expanded, additional full-time personnel must be secured. At present, the Recreation Department's operating budget has increased slightly yearly. This increase has reflected the additional services provided in the past two years. If one were to take a look at the Pelham Recreation Department operating budget and to take a look at the overall enrollment of 1977 along with the overall hours of recreational services provided, the cost of recreation would run far below what surrounding communities are spending. At present, running any type of program is becoming extremely difficult. Due to the highly skilled instructors required, increased hours, and services, making ends meet is becoming extremely difficult. We again must face the fact that either the Pelham Recreation Department must cut back programming and services or increase its operating budget to continue present recreational services. The decision as to what course the Recreation Department is to take lies with you, the citizens of Pelham.

In closing, my sincere thanks is extended to all the citizens of the community who have continued support for your Recreation Department. I would like to also thank the Pelham Board of Selectmen, the Pelham Recreation Commission, the Pelham School District, and the Pelham Fire and Police Department, for without their cooperation it would have been impossible to operate such a recreational program. And last but not least, my sincere appreciation is extended to all the Pelham Recreation Department's seasonal and part-time employees, for without their enthusiasm and hard work the Recreation Department would not be operating with the success it has had for the past two years. Wishing you all a healthy and prosperous '78".

Respectfully submitted,

Robert Tryon

Below you will find a list of recreational programs offered during 1977
(Average attendance for each program - thirty residents)

Women's Fitness	3 sessions
Belly Dancing	2 sessions
Ballet, Tap, Acrobat	2 sessions each
Gymnastics	10 classes
Floor Hockey	10 weeks
Men's Basketball	
Women's Volleyball	
Girl's Softball	10 teams
Swimming Instructions	3 sessions
Junior Leaders Program	
Tiny Tot Playground	
Summer Playground	
(Over 20 different activities offered)	
Town Beach	
Yoga	3 sessions
Drama	
Teen Center	
Youth Center	
Ski Lessons	
Trip Week	2 times
Fourth of July Festivities	
Halloween	
Overnights	
Cannon Mountain Trip	
Stoneham Zoo Trip	
Laconia Track and Field	
Senior Citizens Day	
Yo yo Demonstration	
Little Red Wagon	2 shows
Arts and Crafts	
Hotshot Program	
Basic Water Safety and Rescue	
CPR	
Family Day	
Cookout Day	

Pelham Senior Citizen Inc.

Box 97 - Pelham, New Hampshire

03076

ANNUAL REPORT 1977

This year has been a sad year for the Senior Citizens. We lost two of our beloved Presidents. Mrs. Thelma Boutwell and Mr. Henry Seamans, Sr. We also lost a few of our members.

We named a room at the Senior Center in honor of Mrs. Thelma Boutwell. Mr. Henry Seamans, Sr. will long be remembered for his work with the Seniors.

We received word from SCOA that our application has been approved to provide ad addition to the Center, and with this money we will be able to put in a new bath-room, and made our dining room facilities larger.

Our application for a bus has been approved. We are waiting for it to be assembled. The bus will be of great service to the Seniors. We will be able to deliver meals to the Shut-Ins and pick up Seniors for the meals and activities.

Trips this year were to numerous to mention.

We had cook-outs at Camp Alexander, Little Island Pond, and at the Senior Center grounds.

A Bingo machine was donated by Mrs. Jetske Berthel in honor of her late husband, Mr. Harold Berthel, and we thank you.

A pool table was donated by Rev. Leo Shea from St. Patricks Church.

Council Of Aging bought a Ceramic Oven for the Seniors; as soon as it is set up, we will have Ceramic lessons.

Activities going on at the Senior Center are: Movies-Art Lessons-Knitting-Crochetting-Card Games-Triomones-Dancing Lessons-Bowling.

We have had our First Annual Dance at St. Patricks Men's Club.

The Christmas Party was at Harris Inn and the New Year's Party at the Senior Center.

Our Blood Pressure Clinic is held the third Thursday of each month at 12:30 PM.

We have Flu Shots in October.

We have Income Tax Returns in February at the Senior Center.

There are home cooked meals 5 days a week, cooked by our own cooks. These meals are sponsored by St. Joseph Services, Nashua.

SINCE 1966

MERRIMACK VALLEY HOME HEALTH CARE ASSOCIATION, INC.
 Daniel Webster Highway, Merrimack, N. H. 03054
 Telephone 603-424-3822

Annual Report - 1977

The escalating costs of health care have caused great concern on all levels and cost containment efforts are a priority to many citizens and government officials. Home care is often the solution for individuals to return home earlier or not to have to be institutionalized at all, thus cutting costs considerably while continuing to provide quality health care.

1977 was a year of steady growth in utilization of our services. In Pelham 1,254 nursing visits, 230 occupational, physical or speech therapy visits, 1,077 visits taking 1,803 hours by our homemaker/home health aides and 53 social service visits were made. Telephone consultations numbered 234 and nursing supervisory visits 247.

Clinic activities included giving 73 immunizations to the 37 pre-school children attending and checking 311 blood pressures in 12 clinic sessions in Pelham.

We have been fortunate to have had Mrs. John Steck, Mrs. George Sutton, Jr., and Mrs. A. Vautier serving on our Board of Directors from Pelham in 1977. The many hours of time and efforts on behalf of their fellow citizens are greatly appreciated.

For information on health care or our services call 424-3822 or 883-8096.

(Mrs.) Dorothy Marcek
 Executive Director

CONSERVATION COMMISSION

The Pelham Conservation Commission has been the recipient of a transfusion in the past year, one that we hope will lead us to fresh ideas and improved relations with the residents of Pelham.

Our Chairman, Alice Kirby, has served with the board for several years, and her guidance and experience have proven an invaluable source of knowledge. University of Lowell Professor Robert Mathieu has also been a member of our commission for some time, and his expertise as well as valuable water study testing has been a major advantage to Pelham.

Other than these two seasoned members, the commission has taken on a rather transformed appearance. Five new members were appointed in the past year and a half, all of whom possess an enthusiasm for monitoring Pelham's country appearance, while allowing the town to grow at a suitable pace.

Secretary-Treasurer Cheryl Koch and Historian Anita Greenhalgh worked long and hard last summer preparing for our Old Home Day booth in September. Our purpose is to provide the people of Pelham with knowledge of conservation matters, and this exhibit created a worthy and well-received means of doing so. We distributed pamphlets and provided film demonstrations of conservation-minded topics which were obtained by Mrs. Koch at no cost to the town.

Edward Perkins, an all-around involved Pelham resident and Senior Citizen Center officer, has proven to be a concerned conservationist, writing to state organizations asking for pine sapplings which the commission may soon distribute free to town residents.

Gail Plouffe, a Castle Hill Road resident whose voice was heard on septic system violations in her neighborhood, has recently joined our board, as has Robert Charest, an experienced publicist who hopes to keep the Pelham citizenry informed of our progress and aware of our conservation programs.

Former members Arthur Reichert served as an alternate member of the Pelham Planning Board before his move from town, and former member Robert Hayes was the influential source in setting up a junk car removal campaign.

Any Pelham resident wishing to have a junk car removed free of charge can do so by contacting any of three auto recyclers in town - Coombs' Auto at 635-3043, Jean-Guy's at 635-7171, or State Line Motors at 635-7191. The program was set up to make Pelham residents aware that there is an alternative to keeping an unregistered automobile on their property, by having it removed at no cost.

We have also completed our first literary endeavor and had it distributed in the town's lower grade school. Prof. Mathieu and Chairman Kirby both contributed to this first attempt with interesting articles on water study programs and recycling, respectively. Copies of the pamphlet are available on request.

Our major endeavor of 1977, and one that we will continue well into 1978 and future years, is advocacy of recycling at the town's new incinerator. As a conservation board, we feel that recycling is a way of protecting our fragile environment and insuring the benefits of technology for our children and their offspring.

Recycling is everyone's concern, since it affects everyone. By not recycling, we risk running out of valuable natural resources in

the very near future, including wood and metal. We also fuel the possibility of turning Pelham into one major trash metropolis with garbage heaps piled around its perimeter.

Many people ask why they should recycle, because they feel their neighbors aren't sorting their trash. But this is one instance where one person's efforts do make a major dent in ecology matters.

The average person, according to a source separation report distributed by the U.S. Environmental Protection Agency, produces about 1,000 pounds of trash in the course of a year. We, the residents of Pelham, will throw away more than 3,500 tons of trash this year, and recyclables will make up approximately 950 tons of that trash.

Recycling just a fraction of this will help companies to remanufacture old aluminum cans, or newspapers, or bottles, thus cutting down on their costs to provide new resources. This will make its way back to the consumer, who can expect stable price increases commensurate with the cost of living, and not outrageous skyrocketing inflation, as happened in the early seventies with practically everything, including recyclables such as paper products and aluminum.

Recycling is not really difficult. Making up your mind to do it is the hardest part.

The Conservation Commission also hopes that Pelham residents will keep in touch with their beautiful New Hampshire environment. One of the advantages of living in this state is its undeveloped wilderness and natural beauty.

We hope to bring residents in touch with this advantage. One of our long range goals is to implement an environmental awareness program developed by Pelham resident Julia Steed for both adults and children.

Included in our budget this year is provision for Elm tree fungicide equipment which we hope to utilize on residents' trees and save these stately landmarks for years to come.

To make the commission members more aware of conservation matters, we hope that you, the residents and town meeting voters, will approve of buying subscriptions to several New Hampshire wildlife publications. They will make us more knowledgeable in important environmental matters.

The commission was settled into a rather abrupt dormancy last year, mainly because we were unprepared for presentation of our budget on the floor of town meeting last March.

We hope you will support our endeavors this year. They truly are for the good of the town. "Conservation" is our name, and our goal. We hope to maintain what we have, and maybe bring back what we once had.

Respectfully submitted,

Alice Kirby, Chairman
Marianne Thompson, Selectman Rep.
Cheryl Koch, Secretary-Treasurer
Anita Greenhalgh, Historian
Robert Charest
Robert Mathieu
Edward Perkins
Gail Plouffe

MINUTES OF ANNUAL TOWN MEETING

March 8, 1977

SUMMARY

The Moderator , Philip McColgan, opened the meeting at 10:00 a.m. and read the opening of the warrant. The voters proceeded to elect officials for 1977 and to decide three articles, two dealing with Zoning Ordinance Amendments and one with the size of the Board of Selectmen. The Zoning Articles (2 and 3) passed. Article 4 was defeated.

The second session was called to order at 7:30 p.m. on March 10. The following articles were discussed and acted upon.

- Article 5, Reports (none)
- Article 6, Prepayment of Taxes (passed)
- Article 7, Borrowing in anticipation of Taxes (passed)
- Article 8, Town Budget (each item considered individually and passed as shown in this year's Budget Report under "Appropriations Previous Fiscal Year", contained elsewhere in this report.
- Article 9, Administrative Assistant (passed)
- Article 10, Conservation Commission, Retain Unexpended Funds (passed)
- Article 23, Police Dept. Call-Check Unit (passed)
- Article 11, Fire Department, Place Unexpended Funds in Capital Reserve (passed)
- Article 26, HUD Funding (passed)
- Article 13, Regional Planning (passed)
- Article 14, Salem Mental Health (passed)
- Article 15, Merrimack Valley Home Health (passed)
- Article 16, TRA Highway Funds (passed)

The meeting was adjourned at 11:17 p.m. to 7:30 p.m. on March 14.

SECOND SESSION

March 14, 1977

The Moderator called the meeting to order at 7:30 p.m. The voters proceeded to act on the following:

- Article 17, Library Capital Reserve Fund (passed)
- Article 18, Library, Carpeting and Furniture (defeated)
- Article 21, Gibson Cemetery Fence (passed)
- Article 19, Sherburne Road Reconstruction (passed)
- Article 20, Fire Truck Capital Reserve Fund (passed)
- Article 24, C.E.T.A. (passed)
- Article 25, Koehler Land (passed)
- Article 12, Planning Assistant, C.E.T.A. (passed)
- Article 27, Revenue Sharing (passed)
- Article 28, Increase Library Trustees (passed)
- Article 29, Hazardous Pits (passed)
- Article 30, Hazardous Pits (passed)

Article 31, Hazardous Pits (passed)
Article 32, Senior Citizen's non-exclusive use (passed)
Article 33, Campaigning Distance (postponed)
Article 34, Retaining Character of Old Cemeteries (passed)
Article 35, Mutual Aid Agreements (passed)
Article 36, Apply for State or Federal Funds (passed)

The 1977 Annual Town Meeting was adjourned at 10:25 p.m.

SPECIAL TOWN MEETING

November 22, 1977

SUMMARY

Meeting was called to order at 7:40 p.m. with the Pledge of Allegiance to the Flag. All non-registered voters were recognized by the Moderator and asked to refrain from taking part in the meeting. Mr. McColgan, the Moderator, read the Warrant for the meeting and the floor was opened to discussion on the one article in the Warrant.

Mr. James Powers, Chairman of the Budget Committee, spoke on the article and gave the reports from the Budget Committee. Selectman Harold Lynde spoke in favor of the article stating the need for the fire truck and felt that it was in the best interests of the town to acquire it.

Mr. Norman Lawrence requested a secret ballot on the article and obtained the required signatures to do so. The Moderator re-read the article and the figure of \$35,500.00 was moved and seconded. Mr. Lynde amended the figure to read \$29,031.55. This was seconded. After further discussion on the amendment, the question was called and seconded. Voting on the amended figure of \$29,031.55, by secret ballot, began with the following results announced by the Moderator:

117 Ballots Cast
80 Yes Ballots
37 No Ballots

The Moderator declared the vote affirmative. It was moved, seconded and passed that the meeting adjourn at 8:55 p.m.

BUILDING PERMIT AND ZONING VARIANCE INFORMATION

Due to the large number of inquiries and several problems, the Selectmen provide the following for your ready reference:

- A. Building Permits will be required in the following instances:
1. Whenever the estimated value of the work to be done under the permit is greater than five hundred dollars (\$500.00). (Estimated value is defined as the reasonable value of all services, labor, materials and use of scaffolding and other appliances or devices entering into and necessary to the prosecution and completion of the work ready for occupancy; provided that the cost of excavation or grading and of painting, decorating or other work that is merely for the embellishment or not necessary for the safe and lawful use of the building or structure, is not deemed a part of such estimated cost.)
 2. Whenever an alteration or addition affects the structural integrity of a building by cutting, removing or otherwise altering any carrying member or by adding any carrying surface.
 3. Whenever an addition increases the outside dimensions of the building.
 4. An Electrical Permit will be required whenever any new wiring is done.
- B. The most common types of variance requested are:
1. Lot size (minimum one acre for single family unit, two acres for two family).
 2. Front footage (minimum two hundred feet).
 3. Dwelling or building set back from roads and property lines.
 4. Use of the property for other than recognized professions, truck or home gardens, manufacture of food products, or craft products and employing more than four persons in addition to the owner or tenant.
 5. Operating a junk yard.
 6. Minimum building area (750 sq. feet) for a residence.
 7. Operating a business in a residential zone, except as provided in 4 (above).
 8. Change in nonconforming use.

Copies of Zoning Ordinances, Building Codes, Site Review Regulations and Septic System Approval Ordinances are available for inspection at the Selectmen's Office. If you think you might require a variance or have any questions regarding zoning procedures, please contact the Selectmen's Office.

**BUDGET FORM FOR SCHOOL DISTRICTS WHICH HAVE ADOPTED
THE PROVISIONS OF THE MUNICIPAL BUDGET LAW**

PELHAM

SCHOOL DISTRICT

DISTRIBUTION OF FORMS

BUDGET (RSA 32:7): Forward one signed copy of the budget as approved by the Budget Committee to the State Dept. of Rev. Admin.

RSA 32:5 PREPARATION OF BUDGETS. Selectmen, school boards, village district commissioners, all governmental officers, and department heads, including officers of such self sustaining departments as water, sewer, and electric departments shall prepare a statement of estimated expenses and receipts for the ensuing fiscal year and submit the same to the budget committee at such time as the budget committee shall fix. Department heads and other officers shall submit their departmental statements of estimated expenditures and receipts to their respective governing boards before submission thereof to the budget committee. All moneys appropriated by the town, school district or village district shall be stipulated in the budget on a "gross" basis, showing revenues from all sources, including grants, gifts, bequests and bond issues, as offsetting revenues to appropriations affected. Upon receipt of the foregoing estimates of expenditures and receipts, the budget committee shall confer with selectmen, school boards, village district commissioners, and other officers and departments relative to estimated costs, revenues anticipated, and services performed; and it shall be the duty of all such officers and other persons to furnish such pertinent information to the budget committee. The budget committee shall thereafter prepare budgets according to forms prescribed by the commissioner of revenue administration for town expenditures, school district expenditures and village district expenditures. It shall hold at least one public hearing on each budget, not later than 25 days before each annual or special meeting, public notice, and time of which shall be given at least 7 days in advance. After the public hearing, the budget committee shall prepare and submit to the selectmen for them to post with the town warrant 2 copies of the budget prepared for the town at least 20 days before the annual town meeting. It shall likewise prepare and submit to the school board, or village district commissioners 2 copies of a school district or village district budget to be acted upon at the school district or village district annual meetings at least 20 days before said annual meetings for posting by the school board or the village district commissioners with the warrants for their respective meetings. The budget committee shall not insert additional purposes of expenditures in any recommended budget at or after the public hearings required in this section, without first holding one or more public hearings on supplemental budget requests for town, school district or village district expenditures.

Superintendent of Schools	Henry E. LaBranche
Assistant Superintendent	Frank A. Kaffel
Special Services Coordinator	Giacomo J. Agati
Principal	Dennis Goyette
Principal	DeWayne Howell
Principal	Paul Phinney

REPORT OF THE SCHOOL BOARD

The annual school board report to the town allows its chairman several options. First, he may point with pride to some of the accomplishments of the school system during the year and secondly he may touch on some of the problems yet to be solved and on some of the yet unmet needs of the system for the future.

The athletic facilities of the high school have been vastly improved for both the students and the townspeople by the addition of four day and night tennis courts. The school board thanks the Prentice Robinsons for their donation which made these courts possible.

Another physical improvement was the addition of a smoke-fire detection system installed in each of the three schools. This system is tied into the police-fire dispatch switchboard affording twenty-four hour protection to the schools.

But of course that is really important is the quality of education within these buildings. One measure of success is the composite scores of the SRA testing program. Dramatic improvements have been shown in all grade levels, one through eight, with particular improvement in Language Arts and Math. A continuing program of curriculum development with goals and programs for each year set up by the school administrator and teachers with special attention to those areas determined to have previous weaknesses seems to be the chief reason for the improvements. This program will continue.

The high school sees its first graduating class this spring which has spent its entire high school career at Pelham High School. The students going on to further education averages better than 50% which is considered very good. The drop-out rate for Pelham High remains minimal which I consider commendable. The accreditation committees with representatives from the administration, teachers, parents and students have been meeting regularly working toward a goal of re-accreditation by May of 1979.

Enrollment has, at least temporarily, stabilized. Total enrollment in September of 1976 was 1916; in September 1977 it was 1936. Grades 1 through 4 decreased from 634 to 632; grades 5 through 8 increased from 613 to 615; grades 9 through 12 increased from 669 to 689. If this trend continues, facilities will be adequate without further building programs needed.

Some concerns include the resignation of Anthony Conte as Principal of Pelham Memorial School. His loss is deeply felt. He has been capably replaced by Dennis Goyette, former Assistant Principal at Memorial School. Ray Floryan was appointed Assistant Principal at the Memorial School.

Report of the School Board

The implementation of federal law regarding handicapped children, PL 94-143, which requires a free, appropriate public education for all handicapped children between the ages of 3 and 18 not later than September 1, 1978 also causes concern. By September 1, 1980, the same education must be provided from ages 3 to 21. The Pelham School District is meeting its present responsibilities under the direction of a Supervisory Union Special Needs Coordinator, who is planning and initiating the required programs. Continued funding must be met and approved by the School District voters.

Teacher turnover is still a major problem with too many of the better teachers leaving for neighboring systems with more attractive salary schedules. Continuing efforts to remedy this situation must be made by the residents of the district to ensure stability of the school system.

The thanks of the board to the many concerned parents, volunteer workers, police and fire departments, highway department, staff and administrators, including our Superintendent, Henry E. LaBranche, whose tireless work is deeply appreciated.

Respectfully submitted,

Grace C. O'Hearn, Chairman

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Pelham:

I submit to you my third annual report as Superintendent of Schools.

During this past school year, the school district was fortunate to have resolved its employee problems with the signing of a new collective bargaining agreement. However, the problem of retaining and recruiting experienced staff still persists as we not only compete with surrounding New Hampshire districts but those in Massachusetts as well. The school district is making steady progress to upgrade its' salary schedule to a competitive level and it is hoped that this progress will continue.

The Commissioner of Education, Dr. Robert Brunelle, is making a concerted effort to provide the leadership and guidelines for the State to implement a competency based curriculum. In essence, all school districts will have to identify, teach and measure through testing procedures the basic skills achievement, of all students. Particularly, the State will probably require testing at grades 4, 8 and 12. It is hoped that this accountability will help parents and students to better understand not only the function and role of the school but the needs and abilities of each child.

To that end, the staff and administration, are completing the final stages of our curriculum development in Language Arts and Mathematics. Our model will be integrated with the general guidelines that are mandated by the State by correlating program objectives and anticipated student results.

With the addition of Mr. Agati, Special Services Coordinator, we are able to provide a comprehensive and responsive service to the development of individual educational plans and appropriate placements for all students identified as handicapped. Because of our own emphasis on placing special needs students in the least restrictive educational setting, we are proposing the addition of a learning disabilities program at the E. G. Sherburne School. Hopefully, the district will see fit to support the additional staff needed to service properly the already existing students at the elementary school.

Concerning other events during the past year, we are particularly pleased to have Mr. Dennis Goyette assume the principalship of the Memorial School as our dedicated and able Mr. Conte chose to leave the field of education. Also, the addition of several new and previous teachers to our instructional staff has helped to enhance the existing dedicated and competent staff.

Finally, I would take this opportunity to express my appreciation to all employees of the district for consistent and quality efforts to make our district more responsive to the needs of children. To the School Board, I extend my continued support to work cooperatively in meeting the challenges of the district.

Sincerely,

Henry E. LaBranche

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

Dear Mr. LaBranche:

The many responsibilities encountered in the course of a year in this position lend themselves to a situation whereby one has to wear several hats at the same time to perform the assigned duties effectively. The diversities are such that it is mandatory that one be an educator, business manager, personnel manager, Federal fund authority and an expert in other fields all at the same time as the demands are registered simultaneously and the results are expected within a definite time frame. The duties will continue to increase and become more diversified as time goes on.

Pelham has been the recipient of a number of Federal allocations and grants during the past few years. Title I, a Federal Program which allows districts to hire aides and tutors to help students in the Language Arts and Math areas has been with us for a while. Students are definitely benefiting from this program and hopefully this program will be with us for some time to come.

Title IV, which has two parts; part B is based on allocations and a fixed amount is given to individual districts each year with the money being used for library materials and software. Part C has four parts which are competitive and range from a \$2,000.00 mini-grant to a \$30,000.00 three year model Developmental Grant. This year Pelham High was issued a \$2,000.00 mini-grant which basic theme was Career Education. The High School has been in the process of ordering and receiving different software and other materials for the media center.

Last February, the Southern New Hampshire Services Employment and Training Program, C.E.T.A., funded five positions through June 30, 1977 including two maintenance, one teacher and two aides. Unfortunately, we are being funded only one position this year although we applied for a total of six. The philosophy exercised by C.E.T.A. is one whereby hopefully some of these C.E.T.A. people will become employed by the districts or agencies. The duration of any C.E.T.A. employee is one year at most.

The responsibility for fiscal accountability is realistic when one works on a daily basis with a budget for the district totaling over two and one half million dollars. The expectation of being accountable for every purchase is a workable procedure and requires constant supervision and scrutiny to keep the checks and balances in their proper order.

The key to this approach is qualified personnel and close monitoring tempered with constant supervision. This is extremely demanding and time consuming but it is the highest priority of my position. The results of our monthly financial statements are indicative of this accomplishment.

A sincere effort is being made to economize and get as much as possible for every dollar spent in the best interest of the residents of Pelham.

Sincerely,

Frank A. Kaffel

REPORT OF THE SPECIAL SERVICES COORDINATOR

Dear Mr. LaBranche:

There is a great deal more involved in the area of Special Needs Children in the Public Schools since the passage of Federal 94:142 and subsequent State regulations, all of which will be in full effect September 1978. This far reaching legislation influences almost all aspects of the public schools' involvement with children. Since the inception of my position, the duties have continued to increase, while still requiring the attention of serving both in and out of district students and parents.

Several of the areas that I have been involved with are the finalization and obtaining of parent approval for each student's Individual Education Plan; at least one visit to all out of district programs while our students have been in attendance; at least one home visit with every parent of an out of district student; the arranging, along with Mr. Leonard, for out of district transportation; attending all meetings on the various programs where our students are involved; preparation of the 1978-1979 tuition and transportation budget requests. Beginning in February, together with the local Diagnostic Team we will begin to evaluate each students present program and formulate the appropriate program with the parents of the 1978-1979 school year.

In the area of in-district students and programs, a wide variety of areas have been addressed; a new referral process and staffing procedure has been implemented; involvement of myself and SERESC personnel whenever a special needs child has been referred; in-district special transportation; establish and/or encourage the use of the supplemental services team in each of the schools; refinement of the referral and I.E.P. process; arrange for the continuation of occupational therapy at Sherburne School for needy students; participate as a member in the Title I program; preparation of 1978-1979 budget request for program development; initial implementation of a new cumulative record policy; development of a check sheet with the school nurses for recording children's performance on medication to deliver to physicians and parents; home visitations and subsequent evaluations and proposals to the school board on special cases involving children in the district not presently programmed; arrange for our 89:313 funding from the State; participation with and coordinating the local supplemental service personnel, i.e. resource teachers, counselors, speech therapist, and nurse.

Lastly, time has also been spent in communication with the various State Department offices involved with Special Needs Students. Currently, we are exploring possible alternative programs, and the never ending process of disseminating information as it pertains to Special Needs Students, to schools, administration and parents,

There are some areas that will need to be pursued in the next year. A series of in-district and union meetings of supplemental service personnel so that we can bring continuity and oneness of goal to the various levels of our resource programs. This will also aid to encourage the exchange of ideas, techniques, etc. between the various supplemental personnel. Another area that the principals and myself are working on is the development of some in-house workshops in helping the staff become more familiar with the Special Needs Students and how best to meet their needs. Finally, I hope to become more involved in the dissemination of information and guidelines about Special Needs Students, particularly to the community.

The amount of support and encouragement I have received from staff, administration and parents has been exceptional. I view this as a big step in developing a joint effort to meet the needs of our students.

Sincerely,

Giacomo J. Agati

Dear Mr. LaBranche:

Individualization of instruction to meet student needs continues to be the major goal of our educational process at the E. G. Sherburne School. This philosophy of education has inspired the professional staff and students to strive for excellence in the academic areas. The students and staff are to be congratulated for the outstanding achievement as measured by the SRA testing of last spring. Every area tested showed our students to be substantially above grade level and national average for all four grades.

With the help of Mr. LaBranche, we have developed a scope and sequence of skills in Language Arts and Math. This scope and sequence establishes a continuous learning process in these areas from Grade 1 through Grade 9. We are hopeful that in the near future we will follow this same process and procedure for all subject areas. In this age of accountability, all three schools must continue to cooperate with each other if the Pelham District is to continue to provide a quality education for all our students.

Because of needed integration, our specialists no longer function separately but must work together as a team to provide diagnostic and prescriptive services. Therefore, we formed our Core Evaluation Team.

The "Core Evaluation Team" (Mr. Richard Blake, Guidance; Mr. David Meltzer, Speech; Mrs. Joyce Hamel, Nurse; Mrs. Linda Horan, Resource Teacher; Mrs. Elizabeth Shelley, Reading and Mr. DeWayne Howell, Principal) provides individualized testing for our students with special needs and an "Individual Educational Plan" for the student in cooperation with each student's classroom teacher and parents. In this manner, we work to remediate any educational deficiencies and provide for close monitoring of the student's progress.

We have an extensive volunteer aid program of parents, which includes both Memorial School and High School students who assist the classroom teachers and specialists. Without their assistance we would not be able to provide for many individual needs.

The Title I Program under the direction of Mrs. Elayne Smith has one tutor, Mrs. Eleanor Burton and one aid, Miss Melanie Hanlon. This program endeavors to provide for the remediation of reading deficiencies of our students. This program is totally funded by the Federal Government.

The Special Services Coordinator for Supervisory Union #28, Mr. Giacomo Agati, has added a new dimension to students with special needs. He meets with parents, supervises our specialists and insures that all children are receiving an appropriate public school education placement.

At this time, I would recommend several proposals to improve the educational environment and opportunities at the E. G. Sherburne School which would also meet the intent of Public Law 94:142.

The "Head Teacher" position should be changed to an Assistant Principal position on a half-day basis with the other half day providing

an opportunity to implement a program for our "gifted students". At this point, we have accelerated our educational program so each grade level does provide academic offerings a full grade level above a child's placement by grade; e.g. a fourth grade student who is gifted academically can finish fifth grade academic skills within the fourth grade. We would like to have a special program for the gifted student to challenge those students and to explore learning in the areas where they are the most gifted not only the acceleration of academic skills.

We need a "Learning Disabilities Program" with a certified Learning Disabilities Specialist and two aids. This program would use a multi-sensory approach to learning and fulfill the SERESC (Southeastern Regional Education Service Center Inc.) recommendations regarding identified learning disabled students.

We need a class for the educable mentally retarded students on a Union basis (Pelham and Windham), to help reduce the number of students being placed in special schools for the educable mentally retarded.

We need more adaptive physical education for children with poor gross and fine motor coordination problems. Also, we need more occupational therapy for children with severe coordination problems which reflect other learning deficiencies.

We need a part-time secretary to assist with the typing of Core Evaluations and referral information of the Guidance Department. The work load of the Sherburne School secretary has increased beyond what should be expected of any one person.

The other needs at the Sherburne School are in the areas of repairs and remodeling of the original building. We need painting, new tile floors, shelf space, etc.

I would take this opportunity to thank the Pelham Lions Club for helping fund a program to provide repair to children's teeth of needy families. The money they have donated will be matched by a federal grant on a dollar-for-dollar basis.

I, also, would like to thank the P.T.A. for the continued support of the fluoridation and cleaning of teeth program under the direction of Mrs. Audrey Vorce, Registered Dental Hygienist.

Finally, I would like to thank Mr. LaBranche, Mr. Kaffel, the Pelham School Board and my dedicated staff for their enthusiastic support and encouragement in providing for a quality education for the students in Pelham.

DeWayne Howell, Principal

Dear Mr. LaBranche:

It is with great pleasure that I am able to report to you that Memorial School is continuing to provide to its' students a high quality of education.

This education, based upon the premise of the total education of the student, is one that educates according to the basic curriculum and the elective schedule but also does instill upon the students a sense of responsibility and a respect for school, community, peers and themselves. We attempt to achieve this goal by diversified teaching programs (accelerated, departmentalized and self-contained), fair and consistent discipline procedures and the dedication of our staff and personnel.

However, regardless of how well anything operates, there is always room for improvement. Therefore, in order to improve upon our programs and to rectify our overcrowded classroom conditions, a reorganization of the daily schedule came about this Fall. The benefits derived for each student and; that he receives seventeen more minutes in classroom instruction per day; he has five 45 minute classes rather than the previous four 52 minute classes, as Language Arts was divided into Reading and English; and he has six elective classes rather than five per week.

The area of most concern to me, and it has been a concern for several years, is within the additional services that should be offered by specialists as part of our elective program. Within this report, I have referred to the total education of the students as being paramount. If this is to be accomplished, and it behooves us as responsible educators and parents to assure that it will, then an increase in personnel is necessary. This increase would satisfy the following concerns: The State recommends a complete health program; Federal and State laws require a proper program for special needs students; and our enrollment is steadily increasing. I recommend that consideration be made to allocate funds for an elective teacher and a half time speech/language development pathologist.

The hot lunch program, under the supervision of Mrs. Velma Houle, continues to serve wholesome and balanced meals to our students. More than 83% of our students participate in this program. Traditional highlights are the Open House, Thanksgiving Dinner and the end of the year picnic. Most of the school related meetings have refreshments provided by the kitchen staff. Our compliments and thanks are extended to Mrs. Houle and her staff for their efforts and conscientiousness.

Our school nurse, Mrs. June Groele, a dedicated professional continues to serve the students in her position by administering first aid and medication for illness with parental and Doctor approval. Eye, ear, height and weight screenings are other services she provides as well as being involved in parent, teacher, student and administrative conferences.

Finally, I would be remiss if I did not thank all of those people who I feel are responsible for the smooth transition that I have made in my role from Assistant Principal to Principal. I sincerely thank you, Mr. LaBranche, the school board, the parents, the community, the students and most especially my entire staff. Without all the support and confidence extended to me thus far, my position might not have been as rewarding as it has been.

Dennis R. Goyette, Principal

REPORT OF THE PRINCIPAL

December 1977

Dear Mr. LaBranche:

It is indeed a pleasure, and with a great deal of pride, that I report another excellent year at Pelham High School.

We again experienced an increase in enrollment from 675 to 694. We were fortunate to add two new staff positions in Math-Science and Social Studies-English to help keep class sizes in these areas manageable.

Our third annual graduation exercise saw 120 young citizens of Pelham begin their adulthood. The featured speaker at graduation was Dr. Whitmen Pearson. His address, "Pearson's Precepts" focused on the "real world" that graduates will face and his optimism that they would survive, prosper, and make it a better world for all of us.

Our academic program was highlighted by more than fifty percent of our senior class going on to post-secondary education. This, along with young folks joining the services and starting their life's vocation, leads us to believe that the benefits of our fine high school program are being reaped by our students at Pelham High.

Our music program put on several successful concerts in addition to entertaining the elderly at local nursing homes.

Both our intramural and extra-curricular programs were active and successful. Other activities, such as the winter carnival, Pelham All-School Evening, pancake breakfast, spaghetti supper, dances, sales, car washes, and various class projects were not only successful in spirit but also financially profitable to our students.

Our interscholastic athletic teams were competitive, with our girls' basketball and boys' soccer teams advancing to state tournament play. Our junior varsity cheerleaders were invited to the class "M" state tournament in which they placed number ONE.

The senior banquet held at the Pelham Inn and the Junior-Senior Prom held at the Windsor Restaurant were the social highlights of the year.

One of our present senior students, Hilda Marshall, won the distinction of being a National Merit Scholar Semi-finalist. This recognition provides Miss Marshall an opportunity to advance further.

We, as a high school, are involved in the New England Association of Schools and Colleges accreditation process. This self-evaluation process will culminate in May of 1979 with our evaluation team recommending future accreditation.

Our comprehensive high school is serving our students well and in return the students' response is both gratifying and heartening.

May I take this opportunity to thank the people of Pelham for their continued support. My gratitude also goes out to the entire high school staff, Superintendent's Office, School Board and my fellow principals for their support of the high school program. A special thank you to my Assistant Principal, Mr. Roche, for his untiring efforts in a most difficult task.

We at Pelham High School will continue to strive to keep Pelham High the excellent school that it is and make it even better where possible.

Paul Phinney, Principal

SCHOOL DISTRICT TREASURER'S REPORT

RECORD OF ANNUAL SCHOOL DISTRICT MEETING

Wednesday, March 16, 1977

The annual meeting of the Pelham School District was called to order on Wednesday, March 16, 1977 at 7:35 p.m. at the Memorial School by Moderator Philip Currier. Rev. Charles Higgins gave the invocation. Moderator Currier then led the assembly in the pledge of allegiance to our flag. Mr. Currier introduced Clerk Dorothy Hill; School Board Members Grace O'Hearn, Chairman Patrick Corbin, John Richardson, Ann Blakely and Dr. Constance Lanseigne-Case; Budget Committee Chairman William McFadyen; Superintendent of Schools, Henry E. LaBranche and Attorney Lewis Soule. Grace O'Hearn asked that Patrick Corbin be recognized for his years of faithful service as a school board member.

Article 2 - Following a brief discussion of the auditors report, Mrs. O'Hearn moved to accept reports as printed in the Town Report. Passed in affirmative.

Article 3 - No action taken.

Article 1 and 10 - The budget committee's recommendations were approved with the following exceptions:

Series 210 - On amendments by Mrs. O'Hearn the first three items were raised giving the teachers a 7% increase in salary as agreed upon in the teacher negotiations. The new amounts are as follows:

Item 210.1E - \$359,659, an increase of \$8,737
Item 210.1M - \$377,862, an increase of \$9,335
Item 210.1H - \$441,392, an increase of \$8,807

Article 7 - A motion by Michael McLLarkey to table this article was defeated. A motion by Daniel Atwood to accept this article to hire two new teachers appropriating \$16,000 was passed in the affirmative.

Article 4 - A motion by John Richardson to accept this article with the following paragraph added was passed in the affirmative.

To further see if the District will vote to authorize the School Board to apply to the Comprehensive Employment Training Act, (CETA), program for funds totaling \$33,079 and further authorize the School Board to expend such funds in payments to CETA employees.

The amount of \$33,079 was approved with the understanding that approximately \$29,200 will be reimbursed by the Government.

An amendment by James Powers that such funds are to be expended only as authorized by the Municipal Budget Law, Chapter 32 of the New Hampshire Revised Statutes Annotated was passed in the affirmative.

Item 220 - An amendment by Mr. Broadbent to appropriate no money to this series was defeated. An amendment by Mr. Metrano to decrease amount to \$18,000 was passed in affirmative.

A motion by Mr. McInnis to take up Article 8 at this time was defeated.

Item 230 - An amendment by Mrs. Vautier to decrease amount to \$54,000 was defeated. \$60,000 was approved.

Item 290 - An amendment by Mr. Eaves to decrease amount to \$6,430 was defeated. \$15,345 was approved.

Meeting adjourned at 11:10 p.m. to be resumed on Thursday, March 17, 1977 at 7:30 p.m.

ADJOURNED SCHOOL DISTRICT MEETING

Thursday, March 17, 1977

The annual meeting of the Pelham School District was resumed on Thursday, March 17, 1977 at 7:45 p.m.

Series 725 - An amendment by Mr. Grue to decrease amount to \$5,646 was passed in affirmative.

Series 735 - An amendment by Mr. Grue to decrease amount to \$4,426 was defeated. \$6,426 was approved.

Series 850 - An amendment by Mrs. O'Hearn to increase amount to \$202,792 to reflect the salary increases was passed in the affirmative.

Series 1000 - An amendment by Mrs. O'Hearn to increase amount to \$25,953 was passed in the affirmative.

Series 1200 - An amendment to decrease amount to \$2,000 was defeated. An amendment by Mrs. Vautier to decrease amount to \$5,329 was defeated. \$7,221 was approved..

Article 5 - Passed in affirmative.

Article 6 - Passed in affirmative.

The following resolution by John Richardson was adopted:
Move that the School District Meeting of 1977 be recorded in favor of the following proposal, a copy of which is to be forwarded to each of Pelham's representatives to the General Court and Senate:

We propose that the necessary state statutes be amended to allow the town or towns of a Supervisory Union to meet together in a town meeting format to decide what sum of money will be voted to raise and appropriate for the support of the Supervisory Union, for the payment of salaries, and for the payment of the statutory obligations of the Supervisory Union; that is, to see if the taxpayers of the Supervisory Union will vote to accept the Supervisory Union budget as prepared by the School Boards of the Union.

Article 8 - Following considerable discussion, a ballot vote using the checklist, was taken and this article to establish a football team was defeated 65 to 125.

Article 9 - A motion by Mrs. O'Hearn to accept article increasing the amount to \$382, was defeated.

Article 10 - Total budget approved was \$2,755,510.

A request was made by Norman Lawrence that the School Board prepare a detailed report of expenses and budgets for the coming year in time for budget hearings and the Town report.

Respectfully submitted,

Dorothy Hill
School District Clerk

STATEMENT OF PAYMENTS

1976-1977

Salaries of District Officers	3,270.00
Contracted Services for Administration	11,302.30
Other Expenses for Administration	2,000.11

Pelham School District
c/o Henry E. Labranche, Superintendent
Supervisory Union No. 28
Pelham High School
Pelham, New Hampshire 03076

Dear Mr. Labranche:

This communication is intended to serve as a status report on the examination made by this Division of the accounts and records of the Pelham School District.

The auditors' report and summary of findings are currently awaiting final Division review in keeping with our established policy. We do not expect to be able to submit a report of this audit prior to the publication of the 1977 Annual Report.

We regret the inconvenience which this may cause. However, we fully expect that our report will be finalized and forwarded to your office in the very near future.

Very truly yours,

Lorraine F. Racette
Assistant Director

SCHOOL WARRANT

The State of New Hampshire

To the inhabitants of the School District in the Town of Pelham, New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Memorial School in said District on the 14th day of March, 1978 at 10:00 a.m. in the forenoon to act upon the following questions:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose one Member of the School Board for the ensuing three years.
4. To choose one Member of the School Board for the ensuing year.
5. To choose a Treasurer for the ensuing year.

The polls will open at 10:00 a.m. and will close no sooner than 8:00 p.m.

Given under our hands at said Pelham, New Hampshire on this 25th day of January, 1978.

SCHOOL WARRANT

The State of New Hampshire

To the inhabitants of the School District in the Town of Pelham, New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Memorial School in said District on the 22nd day of March, 1978 at 7:30 p.m. to act upon the following articles:

1. To determine and appoint salaries for the School Board and Truant Officer and fix the compensation of any other officials or agents of the District.

2. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

3. To choose Agents, Auditors, and Committees in relation to any subject in this Warrant.

4. To see if the District will authorize the School Board to make application for and to accept on behalf of the District and to expend any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government and/or the State of New Hampshire.

5. To see if the District will vote to authorize the School Board to accept and to expend in the name of and in behalf of the School District gifts for the use of the schools.

6. To see if the District will vote to raise and appropriate the sum of forty-two hundred (\$4200) dollars for the purchase of a twenty-four (24) horse power diesel tractor front end loader to be used at all Pelham Public Schools. (Budget Committee disapproved)

7. Submitted by Petition. To see if the District will vote to raise and appropriate the sum of forty-two hundred (\$4200) dollars for the purchase of a twenty-four (24) horse power diesel tractor front end loader to be used at all Pelham Public Schools. This tractor will be used to cut grass, and to grade athletic fields at all three (3) public schools. (Budget Committee disapproved)

8. To see if the District will vote to raise and appropriate the sum of nine hundred (\$900) dollars to install four (4) magnetic door holders in the main corridor at the Pelham High School as required by the State Fire Marshall. (Budget Committee approved)

9. To see if the District will vote to raise and appropriate the sum of one thousand seven hundred seventy (\$1770) dollars to install fire doors with magnetic door holders in the main corridor at the E.G. Sherburne School as required by the State Fire Marshall. (Budget Committee approved)

10. To see if the District will vote to raise and appropriate the sum of sixteen thousand, three hundred (\$16,300) dollars in order to implement a Learning Disability program at the E.G. Sherburne School. The additional staff to include one (1) teacher at a salary of ten thousand (\$10,000) dollars and two aides at an annual rate of three thousand, one hundred fifty (\$3150) dollars for each aide. (Budget Committee approved)

11: To see if the District will vote to raise and appropriate the sum of five thousand (\$5000) dollars in order to employ a part-time Speech Pathologist at the Memorial School. (Budget Committee approved)

12. To see if the District will vote to appropriate the sum of six thousand, two hundred twenty-five (\$6225) dollars (representing a portion of the premium received by the District when the high school bonds were sold) for construction costs at the high school, said six thousand, two hundred twenty-five (\$6225) dollars expenditure having been previously made. (Budget Committee approved)

13. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries, for the School District and agents and for the payment of the statutory obligations of the District, that is, to see if the School District will vote to accept the School District Budget as prepared by the Budget Committee or to take any other action thereon.

14. Submitted by Petition. We the residents of Spring Street, do hereby petition the Pelham School District to raise and appropriate the sum of \$1755 to establish a school bus pickup at the Honor Roll on Spring Street for the school year September 1978 to June 1979 to eliminate the need for the children trespassing on private wooded property which becomes impassable during most of the school year. This sum is equal to the estimated cost per day of \$9.75 for a total of 180 days. (Budget Committee approved)

15. To transact any other business that may legally come before said meeting.

Given under our hands at said Pelham the 14th day of February, 1978.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board
Pelham School District
Pelham, New Hampshire 03076

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Pelham School District for the fiscal year ended June 30, 1976, which was made by this Division. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer and School Lunch Program. The records of all School Activities Funds were incomplete.

FINANCIAL INFORMATION

General Fund:

Comparative Balance Sheets - As of June 30, 1975 and June 30, 1976:
(Exhibit A-1)

Comparative Balance Sheets showing the financial condition of the General Fund as of June 30, 1975 and June 30, 1976 are presented in Exhibit A-1. As indicated therein, the Current Surplus of the District increased by \$20,428 from \$21,966 on June 30, 1975 to \$42,394 on June 30, 1976.

Analysis of Change in Current Financial Condition:
(Exhibit A-2)

An analysis of the change in the current financial condition of the School District during the fiscal year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Current Surplus:

Net Budget Surplus (Exhibit A-4)	\$42,394
----------------------------------	----------

Decrease in Current Surplus:

Surplus Used To Reduce School Tax	<u>21,966</u>
-----------------------------------	---------------

Net Increase	<u>\$20,428</u>
--------------	-----------------

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1976, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of \$29,250 plus a revenue surplus of \$13,144 resulted in a net budget surplus of \$42,394.

Capital Projects Funds:

Comparative Balance Sheets - As of June 30, 1975 and June 30, 1976:
(Exhibit A-5)

Comparative Balance Sheets showing the financial condition of the Capital Projects Funds as of June 30, 1975 and June 30, 1976 are presented in Exhibit A-5. As indicated therein, on June 30, 1976 the Pelham High School Building Fund was in an overdraft position of \$6,255 and the unappropriated surplus amounted to \$10,004.

Long-Term Indebtedness:

Comparative Balance Sheets - As of June 30, 1975 and June 30, 1976:
(Exhibit A-6)

Comparative Balance Sheets which disclose the outstanding long-term indebtedness of the School District as of June 30, 1975 and June 30, 1976 are presented in Exhibit A-6. As indicated therein, the long-term indebtedness decreased by \$227,000 from \$3,303,000 on June 30, 1975 to \$3,076,000 on June 30, 1976.

Statement of Debt Service Requirements - As of June 30, 1976:
(Exhibit A-7)

A statement of debt service requirements showing annual maturities of principal and interest is included in Exhibit A-7.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A classified statement of General Fund Receipts and Expenditures for the fiscal year ended June 30, 1976, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1.

Capital Projects Funds:

Statement of Receipts and Expenditures - Fiscal Year Ended June 30, 1976:
(Exhibits B-2 and B-3)

Statements showing the activity in the various programs in the Capital Projects Funds for the year audited are presented in Exhibits B-2 and B-3.

MISCELLANEOUS

School Lunch Program: (Exhibit C)

A statement of the activity in the Pelham School Lunch Program Account during the fiscal year is presented in Exhibit C.

Student Activities Funds: (Exhibits D, E, and F)

Statements of the activity in the Pelham School District Student Activities Funds during the fiscal year are presented in Exhibits D, E, and F.

School Tax Account: (Exhibit G)

A statement of the School Tax Account with the Town of Pelham is included in Exhibit G. As indicated therein, the School District received a total of \$2,221,521 during the fiscal year under audit. This sum represents the amount of \$2,121,521 from the 1975-1976 school tax, \$1,000 due from the 1974-1975 school tax, and an advance of \$99,000 on the 1976-1977 school tax.

GENERAL COMMENTS

District Treasurer:

General Fund:

R.S.A. 197:23a states "...The treasurer shall keep in suitable books provided for the purpose, a fair and

correct account of all sums received into and paid from the district treasury,..."

The Treasurer does not maintain a cash receipts and disbursements journal as prescribed by the above R.S.A. We recommend that the Treasurer immediately set up and maintain a cash receipts and disbursements journal as required by R.S.A. 197:23a.

Long-Term Indebtedness:

R.S.A. 33:12 states "The Treasurer of every municipal corporation shall keep a register, in such form as may be prescribed by the Commissioner of Revenue Administration, which shall state the denomination, number and date of every bond or note issued by the municipality, the time when and place where the principal thereof and the interest, if any, thereon are payable and such other information as the Commissioner of Revenue Administration may prescribe. The Commissioner of Revenue Administration shall inspect the register provided for herein, whenever he shall make an audit of a municipal corporation."

The District Treasurer did not maintain a bond and coupon register as prescribed in the above statute. We recommend that the Treasurer immediately set up and maintain a bond and coupon register as required by R.S.A. 33:12.

Use of Bond Premium and Application of Municipal Finance Act:

R.S.A. 33:3a states "...that any premium received (from the sale of bonds) shall not be used to increase the amount to be spent for the purpose for which the loan was originally incurred....If a balance remains after the completion of the project or projects for which the debt was authorized,....a town, school district or village district by a vote of two-thirds of the voters present and voting at an annual meeting....may authorize the expenditure of the sum or sums on hand, including any premiums received, for any purpose or purposes for which bonds or serial notes may be issued for an equal or longer period of time at anytime which said sum or any portion thereof remains available; provided however, that....any balance thereof, including any premium, is not appropriated as aforesaid, then the same shall be used to pay the principal of the loan as it matures."

The district received premiums of \$10,004 from the sale of bonds and used these premiums to increase the total expended for the building project which is contrary to the aforementioned section of The Municipal Finance Act.

PELHAM SCHOOL DISTRICT

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Pelham School District for the fiscal year ended June 30, 1976.

Our examination was made in accordance with generally accepted auditing standards and except for the Student Activity Funds of E.G. Sherburne School, Pelham Memorial School and Pelham High School, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of sources of revenues and expenditures, other than the financial statements of the Student Activity Funds, present fairly the financial position of the Pelham School District on June 30, 1976 and results of its operations for the year then ended, in conformity with generally accepted accounting principals applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frederick E. Laplante

Inadequate and Incomplete Records of the Student Activity Funds.

Our audit revealed that the Student Activity Funds of E.G. Sherburne School, Pelham Memorial School, and Pelham High School were inadequate. The activity of the High School Fund was journalized but not balanced. The other Student Activity Funds were not journalized. Therefore, receipts and disbursements were obtained in total only from bank statements. Also, no invoices to substantiate payments from the E.G. Sherburne and Pelham Memorial Funds were provided.

Proper bookkeeping procedures have been discussed with the appropriate school officials who will implement these changes effective with the fiscal year 1976 - 1977.

General Fund Receipts Accounted For in High School Activity Account:

The receipt of tuition fees from patrons for driver education and expenses related thereto have been accounted for in the High School Activity Account. The driver education course is an educational function statutorily assigned to the school district. Therefore, we must conclude that by utilizing the aforementioned method of accounting, the school district treasurer did not have control of these particular funds. This is contradictory to R.S.A. 197:23a which states that the duties of the school district treasurer are as follows:

R.S.A. 197:23a Treasurer's Duties. "The treasurer shall have custody of all moneys belonging to the district, and shall pay out the same only upon order of the school board...."

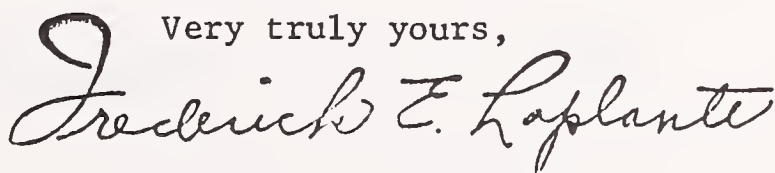

Thus all tuition receipts from patrons for this purpose must be accounted for as revenues of the General Fund and should be administered in the same manner as other tuition revenue items. In order to comply with the above mentioned statute, we recommend the immediate transfer of the Driver Education Patrons Fund Balance to the General Fund of the Pelham School District.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in this audit report is optional at the discretion of the School Board. This letter, however, must be published in its entirety.

We extend our thanks to the officials and employees of the Pelham School District for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante
Director
